

Inspiring Unique Brilliance

Curriculum at Heybridge

Our curriculum at Heybridge is underpinned by our vision of 'Inspiring Unique Brilliance' which contributes to the TKAT ambition of 'inspiring learners and changing lives'.

Our Core Values are;

I am Inquisitive, I am Resilient, I am Ambitious, I am Me, We are Heybridge... Heybridge Proud.

Our curriculum is broad, balanced, represents the diversity of the world around us and is aspirational for all pupils regardless of any barriers they may face. We want our children to be the best version of themselves everyday and to seize every opportunity that comes their way.

Our aim is to provide a curriculum that prepares our children for life beyond Heybridge and the classroom; one that gives them opportunities to be excited about learning and develop enquiring minds whilst giving them access to lessons that engage and prepare them for the wider world. We teach children to be global citizens, to celebrate differences and respect individuality. We have designed an ever evolving curriculum that allows our children to regularly learn about, and be inspired by, individuals of all abilities from all backgrounds, cultures, genders, sexualities, religions and ethnicities. Our children are taught to reflect on the choices that they, and others, make and the consequences these have on themselves and people around them.

We ensure that within our curriculum the learning is planned carefully around the needs of the children. Our expectations are high and celebrate the successes of every child. We expect our children to work hard and help them to raise their aspirations and empower them to reach their full potential. Our school environment is a safe place where children feel a sense of belonging and know they are valued. We enable them to become confident, independent learners. We encourage our children to take learning risks and equip them with coping strategies to tackle the hurdles they may face. Our children know that being resilient is a vital life skill.

As a school, we pride ourselves on being at the heart of our local community. We develop strong partnerships with all stakeholders and value their input and support. We constantly work to ensure that our combined efforts are always focused on improving the provision for our children.
